

## Welcome & plan for today

### Block 1 (45'):

Introduction,  
interesting facts,  
contextualizing EWP,  
historical overview

Introduction &  
Interesting facts

Contextualizing  
EWP - the EDSSI  
architecture

Historical  
overview and the  
pillars of EWP  
(IIA, LA, N, TR)

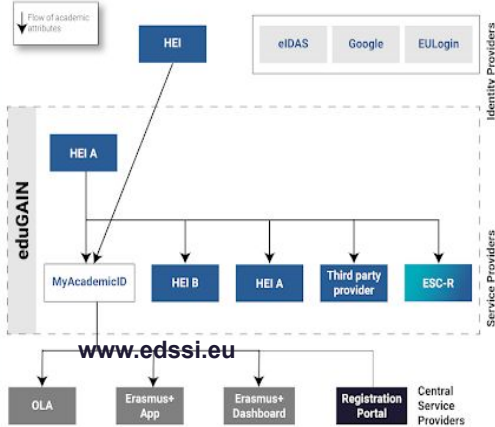

# Architecture of the EDSSI (taking the pieces apart)

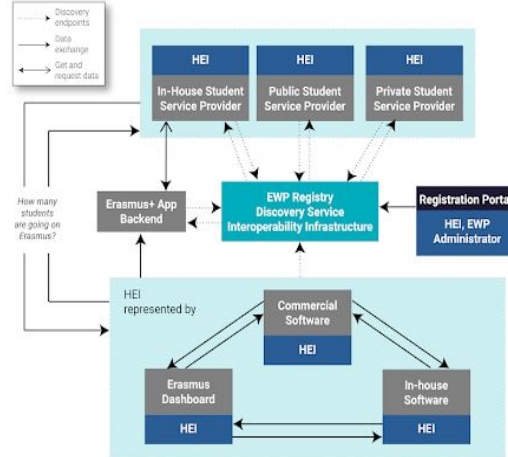

## EDSSI Architecture

### Collection of components

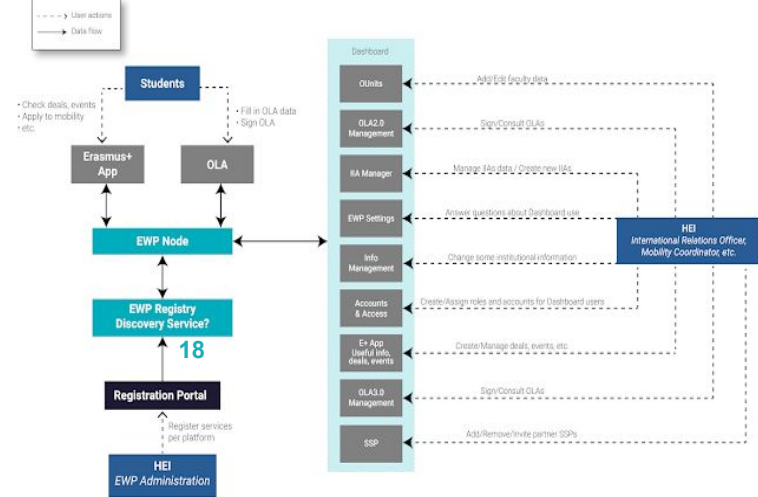

#### Authentication and Authorisation

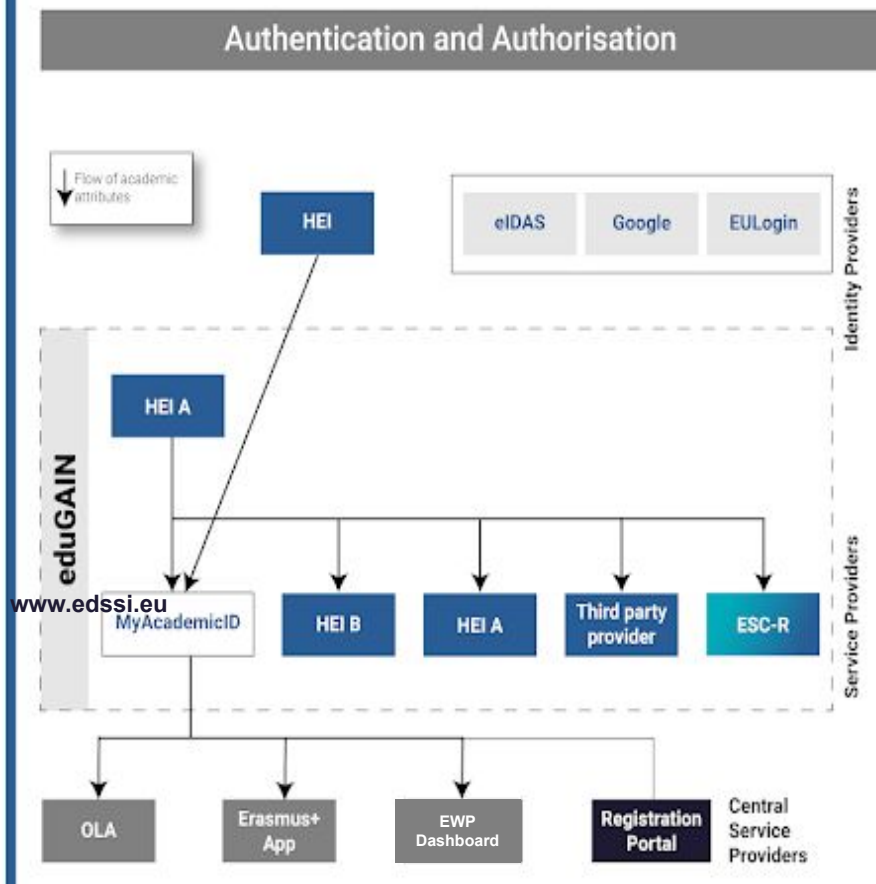

#### Interoperability

#### Web Services

# Architecture of the EDSSI

Who someone is?

Identification (ESI)

What can she do?

Authorisation

# Architecture of the EDSSI

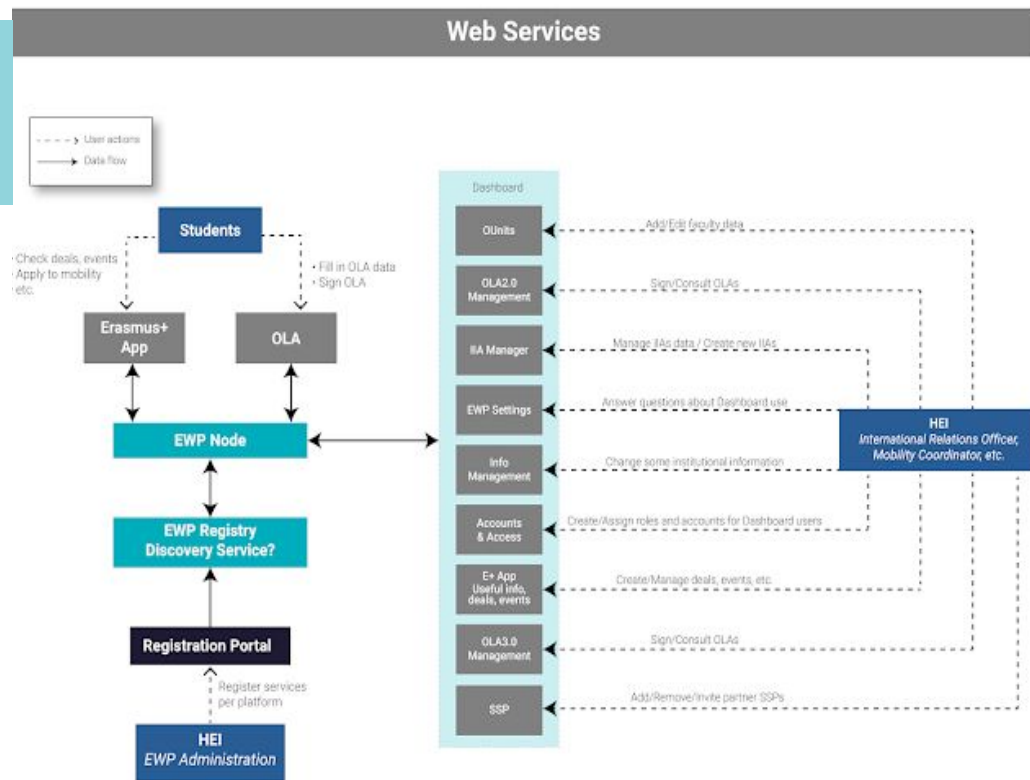

administration

communication

- with partners

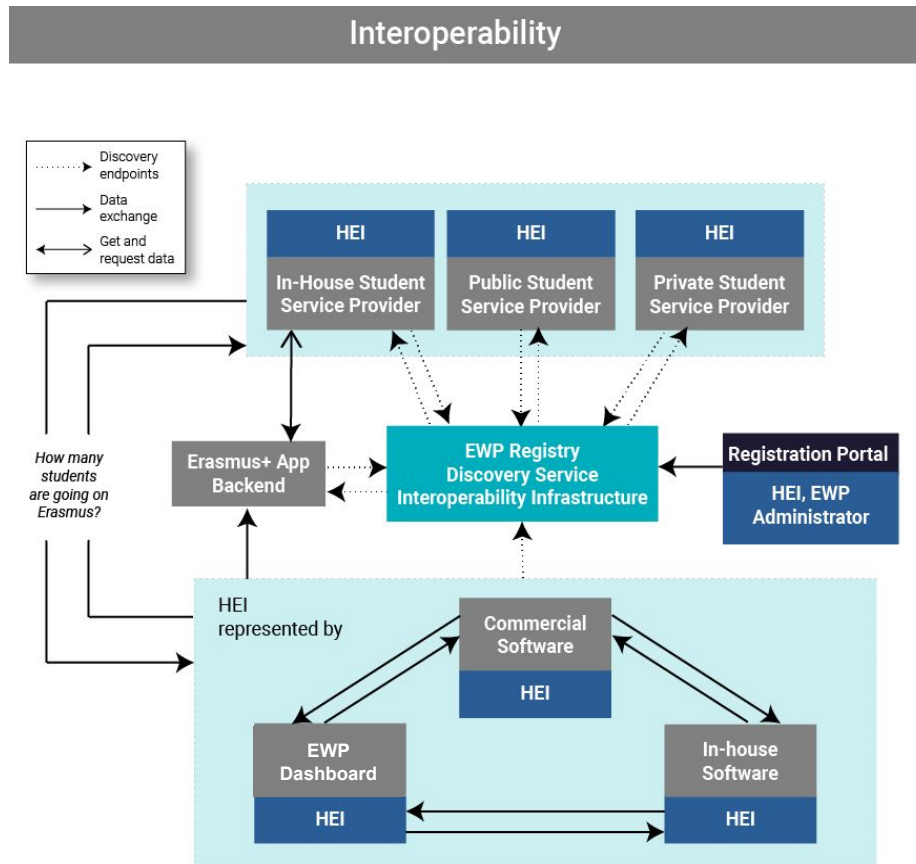

- with students

# Architecture of the EDSSI

How to connect HEIs and services ?

How to ensure quality in the network?
