What is it?

- Document that should guarantee recognition at the sending institution
- Need to be approved by student - sending HEI & receiving HEI
- Consists out of:
 - Administrative data about student & institutions
 - Courses at the receiving HEI
 - Recognition at the Sending Institution (courses that will be replaced)
- Once approved (before mobility), changes are possible (more the rule than the exception)

Introducing a clear process

What it does cater for

- Share first version of LA approved by student & sending HEI
- Approve/reject + comment by receiving HEI
- Share updated versions by sending HEI
- Recognition

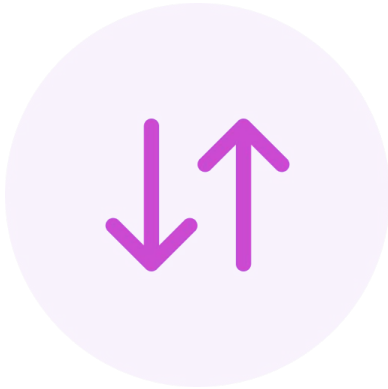

What it does not cater for

- Initiate LA at receiving HEI
- Add comments when approving LA
- List courses available at receiving HEI

The Higher Education Institution you selected is not ready to exchange the Online Learning Agreement via the Erasmus Without Paper Network as of yet. Please refer to your mobility coordinator for advice on the next steps. ✕

Select your home institution from the list and indicate the contact and responsible person. It can be the same person but it is the responsible who will receive the invitation to review and sign the agreement.

Please put it into the correct order (general process of LA)
