

Transcript of Records

A story about TR

What is it?

- Document shared by receiving HEI at the end of the mobility containing:
 - Educational components from LA at receiving HEI (strong correlation with LA)
 - Number of ECTS credits they achieved (strong correlation with LA)
 - Grades that have been awarded (very important for study progress)
- Basis for recognition at the sending HEI
 - Transfer credits from TOR into the student's programme
- Includes grade distribution info to convert grades

TOR & EWP

What it does cater for

- Easy sharing of TOR with sending HEI
- Share grade distribution information

What it does not cater for

- Sharing TOR with students
- Recognition at the sending HEI

Which document correlates the most with Transcript of Record? Start with the most relevant and go to the least relevant
